BROADMOOR MAY GET PRIVATE BUSES

Oaklander Killed In Serra Crash

A 65-year-old Oakland insurance man was killed instantly yesterday (Thursday) morning when the car he was driving was hit broadside by a semi truck at Junipero Serra boulevard and San Pedro road intersection in Colma.

Samuel Clifford Dickinson, 6221 Auburn avenue, travelling west on San Pedro, was crossing Junipero Serra when hit by the heavy vehicle, northbound on the boulevard.

Death was instantaneous, according to California Highway Patrol and Broadmoor police. It took approximately one hour to extricate Dickerson from his car, a twisted mass of metal.

Driver of the truck, John Greppi, 29, of Cloverdale, said he was travelling 35 miles an hour on Junipero Serra when Dickinson's vehicle pulled out in front of him. Greppi was uninjured.

The Dickinson vehicle was pushed some 35 feet from the point of impact.

Dickinson, an employee of Allied Casualty Co. of San Francisco,, leaves a widow, Ruth. Other survivors were not immediately known.

His body was taken to the mortuary of W. C. Lasswell & Co.

FOR SERVICES RENDERED—Police and fire commissioners, whose positions were eliminated by new city ordinance, pose with councilmen at second annual commission banquet held last Thursday at The Southern. Mayor Joseph Verducci paid tribute to commissioners for their devoted service and presented them with scrolls on behalf of the city. Pictured are (left to right): Police commissioners Edmund Whitney, Tony Ricci, Mayor Verducci, fire commissioners Robert Hunter, Emil Bertelli, Councilmen Edward Dennis and Micheal De Bernardi (kneeling). Absent were Victor Baher and Louis Larcombe, police and fire commissioners, respectively.

A pro-incorporation enthusiast supposedly blew his stack this week when Broadmoor police officers and commissioners refused to participate in door-to-door distribution of pamphlets on incorporation.

In fact, the commission came out with a policy dictating "hands off" on the incorporation issue for both Broadmoor officers and commissioners.

So disjointed was the incorporation backer that he was said to threaten police with starting a petition for annexation to Daly City, which would do away with the Broadmoor police district.

Times have changed: The April 8, 1921, edition of the Daly City Record proclaimed in a box at top of page one, "Our City Leads—Others follow—five cent car fare to all points in San Francisco."

One young grade school lady came home this week and told her mother she had gotten her polio shot early—right in the derriere.

The surprised mother asked

TRUSTEE ELECTION TODAY FOR 6 POSTS

See trustees pictures on page 3.

A combined total of nearly 14,000 persons will be eligible to vote in the four area school board elections this Friday when two-man vacancies on each of the boards will be decided.

There are 10,669 registered voters eligible to vote in the Jefferson Elementary school district, 3,059 in the Laguna Salada school district, and 13,728 in the Jefferson Union High school district. Area residents will also cast votes in the four-man race for the College of San Mateo board.

Vying for the Jefferson Elementary board are five candidates, Laguna Salada, six; Jefferson high school, four; and College of San Mateo, four.

Polls will be open from 7 a.m. to 7 p.m. School officials urge local residents to take advantage of their opportunity to vote.

Following is a list of brief biographies of candidates.

JEFFERSON ELEMENTARY BOARD

Guido De Ghetaldi, 316 Northgate avenue — Age 38, married, four children. Has AB from San Francisco State college, secondary credential degree and doctorate in education from Stanford university. An educator teaching at San Francisco State college, he is actively engaged in educational affairs.

Henry Kraus, 1742 Louvaine drive, Broadmoor — Age 38, married, one child. Head of the printing paper division of the Zellerbach Paper Co., member of the junior executive board of that organization. Has been school board trustee for the past year.

QUERY COUNCIL ON PHOTOS OF PENINSULA BUSES

Councilmen were questioned Monday night about pictures of Peninsula Bus Lines vehicles passed among the audience at the May 9 meeting.

Owen MacNealy, 173 Abbot, asked councilmen if they knew, "The pictures were taken of buses parked in the company yard for repair," as revealed in last week's issue of THE RECORD.

Councilman Edward Dennis, who had passed out the pictures and attacked the Peninsula Lines' equipment, answered that, "We took pictures of all the buses."

Many of the photos were of dismantled buses parked in the yard for repair work. Dennis cited the delapidated condition of the vehicles.

MacNealy also brought up the stray animal problem, asking the council if the city dog ordinance entitled the animals' owners to let them run loose over people's

SF Jitney Owners Say Won't Operate In Daly City Limits

The San Francisco Jitney Owners association voted last week to limit their operation to San Francisco and not seek Daly City business, according to secretary-treasurer John Avrams.

According to Avrams, the jitney drivers are sanctioned by the San Francisco public utilities commission to fulfill committments in San Francisco. "We might not be able to do our job here if we spread ourselves out thin by going into Daly City," Avrams revealed. "Our permits are for San Francisco. We can't very well go anywhere else," the secretary continued.

Avrams also said that he had not heard of any jitney drivers expressing a desire to operate here. "Paul O'Leary (representative of the Daly City jitney group) says he's got 20 drivers but I don't have any idea who they might be," Avrams continued.

O'Leary, along with J. Walsh, had presented the jitney proposal to the city council. Both were former officers in the San Francisco jitney group, but were voted out.

Sidney Sekulski, committee member of the SF jitney owners, echoed Avrams declaration about seeking Daly City business. "There are too many legal drawbacks," he maintained. "I want the people of Daly City to know that the San Francisco Jitney Owners association is in no way connected with this venture."

Sekulski said that Walsh approached the San Francisco group

DOELGER 76 BUS ROUTE "SURPRISES" COUNCIL

In an announcement that took the city council and Broadmoor area by surprise, Henry Doelger Builder, Inc., revealed that his new No. 76 subsidized bus route for Westlake would start Monday.

The new Municipal Railway routing, which provides express service to downtown San Francisco for Westlake subdivision, eliminates the connection between the subdivision and Mission street in Daly City, and leaves most of Broadmoor without transportation.

The new route, which starts Monday at 6:10 a.m., is as follows: Start at St. Francis Circle, south on Junipero Serra boulevard to Alemany extension, west on Alemany past the Westlake shopping center, then south on Ashland to Southgate, south on Southgate to Montrose, east on Montrose to Stoneyford in Broadmoor, down Stoneyford to 87th, west on 87th back to Southgate and return by same route. It connects with direct downtown transit.

The Old Route

Heretofore the No. 76 had provided intra-city service between the "top of the hill" on Mission street and Westlake, and also covered the Broadmoor area. The route, to be abandoned Monday, travelled from Mission street down Knowles to Junipero Serra, South on Serra to Briggs, to Washington to 87th, Southgate, Ashland and up Knowles to Mission. After 12 noon the Junipero Serra "loop" was reversed, with the No. 76 travelling direct from Mission to Westlake and then through Broadmoor.

Mayor Joseph Verducci indicated he just heard about the route change yesterday, commenting that, "I don't think the city officials were contacted on it. I know no one talked to me.

"Can't Blame Doelger"

"I don't like to see the intra-city service eliminated but I can't blame Mr. Doelger for this. The whole problem is the city shouldn't have to let an individual step in to operate something as big as transportation. It's not a good thing," he maintained.

He said the council will probably discuss the new routing at their meeting Monday.

What affect the jitneys, voted in by the council three weeks ago, would have on the operation was not known, Verducci said.

City Manager Howard Stites said, "This new route comes as a surprise. I don't expect the change so early." He said he had understood the No. 76 would keep its present route until at least July 1.

Stites said he was scheduled to meet with Jack Kendree, Doelger representative, today (Friday) at noon and discuss the routing.

"This brings about some very

PUC Gets Perkins Request

Burt Perkins, owner of Westmoor Transit Lines, filed application with the state public utilities commission Wednesday to provide an express bus service for Broadmoor.

The filing was simultaneous with announcement of a new route for the Municipal Railway No. 76 bus that leaves Broadmoor without transportation starting Monday. (See story adjacent column.)

If Perkins is granted a certificate of public convenience to operate, there will still be a lapse of at least 45 days during which time Broadmoor will be stranded transportation-wise.

Perkins application, an amended version of one filed a year ago, calls for a line which would operate between Broadmoor Village and West Portal and Ulloa street, San Francisco.

Lists Route

The route, according to Perkins' application, would be as follows: Start at West Portal and Ulloa, over West Portal, thence over Junipero Serra boulevard to School street, to Sullivan street to Village Lane to 87th street to Larchmont drive to MacArthur drive to Washington street to unks street to Market street to Junipero Serra back to starting terminal at West Portal and Ulloa.

Perkins substantiated the need for service in Broadmoor in a clause of his application which read ". . . . Probability of loss of subsidized service by reason of probable abandonment by Municipal Railway, due to continued losses, anticipated even with the subsidy of $600 per month, now guaranteed for May and June only."

Reduce Running Time

According to Perkins, his proposed service "will reduce running time from Broadmoor and downtown San Francisco from the present variable of 50 to 70 minutes to approximately 35 to 39 minutes."

His application calls for a 15-cent fare, free rides for children under five years accompanied by an adult, and 10-ride tickets for $1 for elementary and high school children.

Restrictions of the application were that on the northbound run no passengers would be picked up north of the north boundary of Lake Merced Golf club on Junipero Serra.

Southbound, Westmoor would discharge no passengers north of the north boundary of the golf club.

30-Minute Headway

The bus would operate on a 30-minute headway, Perkins said. Direct transit from Broadmoor to West Portal would take about 15 minutes, he estimated.

In his application, Perkins pro-

ANNUAL SPRING FESTIVAL AT CENTER SUNDAY

The Eighth Annual Daly City Spring Festival will be held Sunday at 1 p.m. at the War Memorial community center on Mission street.

This yearly program which is free to the public is sponsored by the recreation department in cooperation with the Daly City Garden club and the Coordinating PTA Council of Daly City.

The Spring Festival is a musical program featuring many of the younger talents of Daly City. It is held yearly to welcome the Spring Season in a community fashion and to give the talented youngsters the opportunity to perform before a large audience. The Festival also provides the Daly City Garden club with the opportunity to display their floral artistry in the form of a flowered backdrop for the performers. In addition to this the PTA Council will provide refreshments before and after the show and during the intermission at a very nominal cost.

This year's show, the eighth in a long series of successful events, is expected to draw a capacity crowd of 1000 to the community center, because of the high caliber of the amateur talent, according to James Mason, recreation director. The musical program, beginning at 1 p.m., will consist of vocal solos and duets, instrumental solos and duets, acrobatic acts, and chorus numbers.

One notable change in this year's event is that the Festival is being held at the community center for the first time. It has been moved from Marchbanks park in order to improve the visibility, the hearing, and the general comfort of the audience. The doors will open at 12 noon and the PTA Council will be ready to provide refreshments for the early visitors.

Missing DC Boy Returns Home While Cops Search

A police search for a local 11-year-old boy was called off Tuesday when Frank Houston returned home after spending Monday night in an empty trailer at N. Parkview and Mission streets.

Parents of the boy, Mr. and Mrs. Glenn Houston of 355 Willits street, notified police when the boy failed to come home for dinner Monday evening. He was last seen playing across the street from the Houston home at 4:15 p.m.

The boy, a student at Jefferson Elementary school, was reprimanded by officers and released to the custody of his parents.

SALUTE DALY CITY OVER TV NEXT FRIDAY

"Salute to Daly City" will be theme of the Sandy Spillman television show next Friday, May 27, to be telecast over station KPIX (Channel 5.)

Civic officials, representatives of local service and social clubs, and members of THE RECORD staff will be on hand for the half-hour program which starts at 1:30 p.m.

Already 50 persons have obtained their tickets for the show, but a few are remaining for groups who wish to send representatives.

The program will include a question period, in which local contestants will be asked questions about Daly City and its local newspaper, THE RECORD. Valuable prizes will be awarded.

Near the end of the half-hour, civic officials will be interviewed and local organizations introduced.

All persons attending must have tickets in advance. They may be obtained at THE RECORD office, or by contacting the local Chamber of Commerce, which is participating in the "Salute to Daly City."

Deny Dance Permit For Hilltop Lodge

Hilltop Lodge application for dance permit under new Daly City ordinance governing public dances was denied by the city council in study session Monday night.

The Lodge, 22 Hillcrest drive, is faced with revocation of liquor license, although appeal has been made on the state liquor control board's April 7 decision.

City Manager Howard Stites, although observing that the tavern was still entitled to operate pending results of the appeal, declared, "I can't recommend granting license under these circumstances."

He suggested the permit be withheld until the case was settled.

State liquor control department revoked the Hilltop's liquor license on the basis of testimony given at three hearings, at which time witnesses described alleged narcotics activity at the be-bop hangout.

CALLAN SIGN CASE POSTPONED 3 WEEKS

The Callan "sign case" has been continued for three weeks, at the request of County Supervisor Thomas J. Callan's attorney in Municipal court yesterday (Thursday).

Colma's stormy supervisor was charged with tampering with a sign on Junipero Serra boulevard last month during the San Bruno-Callan fracas. The supervisor has entered a plea of not guilty.

B'moor Incorporation Threatened By Annex

Annexation to Daly City of a half-mile strip of property near Junipero Serra boulevard will ruin incorporation plans for Broadmoor and surrounding areas, the city council was told Monday night.

Thomas Noonan, president of Sterling Park Homeowners, asked the council if they knew that there was petition for annexation before the council that would "preclude any incorporation plans."

The petition for annexation is from Edward C. Bocci and Conti estate, and asks that Daly City annex uninhabited territory along Junipero Serra boulevard, between Daly City limits and Colma town limits.

The annexation would virtually cut in half Broadmoor and Unincorporated Colma, the area proposed for incorporation as a sixth class city. Under state law, property being incorporated must be contiguous.

Noonan said, referring to the petitioners, "I don't think two people should decide the issue for 6000."

Later he told THE RECORD that, "If Daly City is interested in annexation of our area this would be the easiest way for them to stop

DALY CITY'S FIRST lady garbageman, Nancy Lamb, THE RECORD reporter, poses in Daly City Scavenger Co.'s new $7000 truck after making early morning tour of duty with scavengers Monday to gain on-the-spot material for this week's story on the life of a professional garbageman during clean-up week.

Reporter Helps Scavengers In Spring Cleanup Chores

By Nancy Lamb

By Saturday noon Daly City will be lighter by about 30 tons of miscellaneous junk, thanks to the annual free Spring Cleanup by local Scavengers.

In an effort to cover every facet of local news, THE RECORD assigned this reporter Monday to the "Spring Cleanup beat."

Joining three fellow cleanerupers at Alexander and Templeton streets at 3:30 a.m. (slightly earlier than the usual assignment), we started off on the cleanup spree.

"Didn't think you'd show up," were the words of greeting from Jack Eberle, local Scavenger. "I thought it was just a gag."

He dubiously listened to the reply that one should always believe everything one reads in the newspapers.

Driver and owner of the big semi-truck was Carl Ohannesian, of Country Club Park, and loading in the back was McRobert Stewart, 100 Vista Grande.

"Saving All Year"

"Here's someone who's been saving all year."

The truck slowed down before an immense pile of junk. Ohannesian joined Eberle in hoisting the stuff up to Stewart, who stacked it in back. The first rocking chair, one of the most popular discard items during the week, took its place.

Off again. The next stop—a pile of newspapers, not wrapped with rope as requested by the Scavengers, not even with string, but with THREAD. One strand of thread was tied around a stack of newspapers two feet high.

As expected, the thread broke.

"If we didn't pick up that stuff, maybe they'd learn, but what are you going to do."

Christmas Trees

The next stop was a corner church where waiting for the

what she was talking about, to which the child answered a young boy had administered the "shot," with an ice pick.

A toddler walked into Broadmoor bicycle court Saturday, just as it was about to convene.

"Have you got a ticket?" asked Chief RAY SAVAGE.

"No," said the young-un, "I've got an apple," as he displayed it proudly.

ELIO FONTANA, incumbent up for re-election on the Jeff High board of trustees today, had it easy this time.

He had enough cards left from last election two years ago to distribute for this go-around.

That was Councilman ED DENNIS, not DEL WILSON, who attacked the Peninsula Bus Lines equipment at last week's council meeting. The newspaper caption under a photograph of one of the buses inadvertently said Wilson.

Councilman SANFORD VICKERS may be in the chips. Geiger counters went crazy in land adjoining his and his wife's property in the Tolichia district, Nevada. Prospectors say it may be rich in uranium.

Then again, says the government, it may be just radioactivity from A-bomb fallout.

At any rate, since the government is leasing the property, the Vickers won't be able to find out until scientists complete their post-explosion tests.

W'lake School Teacher Cited In Car Collision

Eugene E. Grant, 28, 119 W. Moltke street and Westlake school teacher, was cited Thursday afternoon for failing to yield right of way to another car at Junipero Serra boulevard and Alemany.

Grant was involved in a collision at the intersection when a car driven by Victor M. Giorgi, 161 Ellington street, attempted to make a left-turn.

Reporter Helps Scavenger In Spring Cleanup

(Continued from page 1)

cleanup men was a three-foot high Christmas tree, still covered with tinsel, slightly tarnished after five months' time.

"We told you, some people save stuff all year."

This tree was the first of two trees that morning, the second being a nine-footer, obviously appropriately festive during the Yuletide season, but slightly the worse for wear on an early morning in May.

"Shall we pick it up?"

"Well, it's next to the garbage can on the curb. Why else would they put it there?"

So into the truck went a new-looking Coca Cola machine, and into one of the Scavenger's pockets went two nickels, dropped from the machine during the hoisting.

Multiply Steps

There followed a block of cleanup piles all stacked neatly in bundles, but also all stacked against the houses from which they came. Multiply the steps the men took across the sidewalk by every home in Daly City. This is why residents were asked to place cleanup bundles on the curb.

"This cleanup is a pain in the neck."

"There's another big one, down the hill," Eberle, riding the running board, directed. Ohannesian deftly backed the truck down the hill and close to the curb.

A huge bundle of shrubbery greeted the men.

"Ouch!"

Rose branches are on garbagemen's hate list.

The next pile of rubbish produced two bricks to go toward building Eberle's new house in Millbrae.

Pot Belly Stoves

Five pot belly stoves and the frame of an old four-poster bed were added to the heap on the back of the truck.

"The kids here must have grown up."

A red wagon, a baby's crib and other miscellaneous toys were tossed up to Stewart who stacked them with the other discarded articles.

Half-empty paint cans and other inflammable material were packed by Stewart in a separate pile in order to prevent fire.

Four hours later, the collection had reached gigantic proportions.

"You'd better restack some of that stuff. We're not going to clear the telephone wires."

Packed To Capacity

At the end of two routes with another two to complete that day, the truck was packed to capacity.

"Ready for breakfast? Let's go!"

Following breakfast, Eberle and Stewart drove this reporter back to her car so she could start her working day at THE RECORD. We followed part of the same route taken earlier that morning, and there on the sidewalk loomed more Spring Cleanup bundles.

"And we'll get complaints that we didn't come by."

Scavengers and THE RECORD asked residents to put out their Spring Cleanup the night before, but evidently a minority of citizens thought they could make the deadline by putting it out the morning of Cleanup.

"It was nothing this morning, not nearly as bad as last year. Why don't you come along tomorrow morning and you'll really see something."

"No thank you, think I'll get some sleep instead."

vides for three 41-passenger buses, only one of which will be operated on the run.

Perkins estimated it would take from 45 to 90 days to secure the permit. If no public hearing is held, the permit might be granted in two weeks, and it would take Perkins about 30 days to ready his bus for operation.

Broadmoor officials, meanwhile, were casting about for some emergency form of service.

Tom Jenkins, attorney and a director of Broadmoor Property Owners association, said the new route, "left us in a hole."

"This leaves virtually 95 per cent of Broadmoor residents without any transportation," he said.

"No Arrangements"

Jenkins revealed that, "We've made absolutely no arrangements to cope with this sudden decision."

The Broadmoor property owners group are expected to support the Westmoor plan, since in a meeting with Perkins two weeks ago they voted unanimously in favor of a similar route.

Jack Kendree, representative of Henry Doelger Builder, Inc., in explaining the exclusion of Broadmoor from the New No. 76 route, said they could not consider providing Broadmoor with transportation unless the property owners there bore some of the subsidy cost, which amounts to a maximum of $600 a month.

yards.

City Attorney Frank Blum replied that actually it did, since the city has no leash ordinance.

MacNealy claimed that at one time he caught nine stray cats in a city trap set in his neighborhood. "And they're starting to come back again," he claimed.

City Manager Howard Stites expressed alarm over the problem, and said he would investigate.

City Attorney Frank Blum told Noonan during the meeting that, "All the council is doing is fulfilling the law by setting date for hearing on the annexation."

"We knew about it," answered Mayor Joseph Verducci. "We're only setting the hearing."

Hearing was set for June 27 and Noonan indicated, "we'll be up here." Noonan has been active in the group seeking incorporation.

Doelger 76 Bus Route "Surprises" Council

(Continued from page 1)

complex problems," he related. "No line will be able to operate with jitneys paralleling it. The question is whether to keep the jitneys out of the Westlake area."

He declared, "I have to look at this problem from the viewpoint of the whole city. Mr. Doelger is very generous in subsidizing the line but I wonder if he will continue doing so after all his houses are sold."

"If this new route doesn't jeopardize the future of transportation for Daly City, I'd say take advantage of Doelger's generous offer," the manager continued. "Right now, however, I think it is of utmost importance to get a self-supporting form of transportation."

"Surprise To Me"

Councilman Del Wilson said the new route, "Is a surprise to me." He held, however, that Doelger's No. 76 would not affect in any way the proposed jitney operation. "I don't feel it was right, however, to cut off Broadmoor without telling them in advance. I understood the No. 76 was going to continue on its present route until July 1."

"I believe the city council should have been called in on this issue," stated Councilman Sanford Vickers. "We should have had a round-table discussion and been given at least 30 days notice."

Councilman Micheal De Bernardi also expressed surprise over the new route, but concurred with Wilson that it wouldn't affect the jitneys in any way.

"Up To Jitneys"

"I had heard rumors about this new line," said Councilman Edward Dennis. "It's up to the jitnew owners to decide whether they want to compete with the No. 76. Maybe Doelger put in the new route because of the jitneys."

The new No. 76, with one bus, will be operated on a 40-minute headway.

Kendree said the route, which is being subsidized by Doelger to a maximum of $600 a month, may become permanent.

Doelger's subsidy agreement is up July 1, at which time negotiations will probably be re-opened, Kendree said.

"If the line shows a profit, we may continue it southward into new Westlake tracts," Kendree added.

Kendree said the Doelger firm's new route had nothing to do with the city council's recent approval of the jitney operation here. He declared jitneys in Westlake would not affect the No. 76.

"Mr. Doelger feels a definite responsibility to the people of Westlake and this new route is his way of showing it," Kendree explained.

Following is the new schedule for the No. 76:

SOUTHBOUND

Leave St. Francis Circle—6:10 a.m., 6:50, 7:30, 8:10, 8:50, 9:30, 10:10, 10:50, 11:30, 12:10 p.m., 12:50, 1:30, 2:10, 2:50, 3:30, 4:10, 4:50, 5:30, 6:10, 6:50.

NORTHBOUND

Leave Southgate and 87th (via Montrose loop) — 6:25 a.m., 7:05, 7:45, 8:25, 9:05, 9:45, 10:25, 11:05, 11:45, 12:25 p.m., 1:05, 1:45, 2:25, 3:05, 3:45, 4:25, 5:05, 5:45, 6:25, 7:05.

Pass Dorchester and South Mayfair — 6:30 a.m., 7:10, 7:50, 8:30, 9:10, 9:50, 10:30, 11:10, 11:50, 12:30 p.m., 1:10, 1:50, 2:30, 3:10, 3:50, 4:30, 5:10, 5:50, 6:30, 7:10.

Northbound buses operate express between San Francisco city limits (Belle avenue) and St. Francis Circle—stops being made to discharge passengers only at established bus stops.

PTA FIGURE ASKS VOTE TURNOUT FRIDAY

A plea to San Mateo county's 37,000 PTA members to vote in Friday's school elections and to take the lead in urging others to go to the polls was voiced today by Mrs. George Elliot of Pescadero, president of the Seventeenth District, California Congress of Parents and Teachers.

"In addition to the trustee elections," she added, "six districts face bond or tax propositions. The bond issues range from the Sequoia high school district's request for $3,975,000, its fourth attempt to raise building funds in little more than a year, to San Carlos' petition for $160,000 and the Half Moon Bay proposal to continue a $1.05 tax rate. I beg you, if your district is asking for school funds, to let your decision on how to mark your ballot be reached after careful study of how the educational needs of all the children in your community can best be met."

There are more than 50,500 motels in the United States today, reports the National Automobile Club.

Two For Tonight

By Leonore Brewer

(Ed. Note: The vox populi has prompted the author and THE RECORD to change the name of Leonore Brewer's "My Mad World" column to "Two for Tonight."

During the past three years we've written a lot of words about musical events that we've attended, but with three exceptions these events have been held in San Francisco, not in our local area. The three exceptions were the concerts by Stephen Kemalyan, the Mauney Twin-Duo-Pianists and the Lola Montes Dancers, which were the result of last year's successful Vista Grande Concert Association drive.

Since we believe that concerts are an asset to our immediate area and that they are just as important in civic life as are organized charities, libraries and churches, the local appearances of these artists gave us a tremendous amount of satisfaction. All who contributed their time and energy toward making last year's drive a success no doubt feel this same satisfaction.

Second Annual Drive

As you have read in previous issues of the [illegible] the second annual drive is being held this week. We do not feel that it is necessary to say anything to the more than 500 members who joined last year. We know how they feel—their enthusiastic applause at the end of the concerts spoke for them. But 500 members is a small percentage of the total coverage of this paper, so it is to the many people who might have joined last year, but who possibly didn't hear about it, or didn't quite get around to it, but who are interested this year, that this column is addressed.

So many musical events take place in San Francisco that it is possibly true that one becomes so accustomed to going into the city for them that one completely overlooks the fact that it is quite possible for the music to come to you. It was for this purpose that the Vista Grande Concert association was formed—to bring music to the community. In this way, many residents who find it inconvenient or impossible to go into the city are not denied the pleasure of hearing well known artists.

Three Concerts

Three concerts are guaranteed for the $6 adult, $3 student membership. But that does not mean that we are limited to three concerts. Any significant increase in the number of members will be reflected in the number of concerts presented next season. The success of the association is a community effort. It depends not upon the few but upon the many. In fact, it depends upon you.

I hope that everyone is happy to see that the column is no longer called, "My Mad World," a title which quite some time ago we felt we had outgrown. Of late we had developed a positive dislike for it.

Smith Says Answer Simple To Transit Problem--Use Muni

Dear Sir:

It is interesting to find our local transportation problem regarded so seriously and subject to so many different opinions and plans for its solution, and each and every one of those plans subject to severe criticism, when the solution is so easy once the problem is regarded in its proper light.

The plain facts are that transportation in many cities and communities throughout the country is no longer a profitable business enterprise. Consequently, in areas where transportation is needed, it must be regarded in the same light and provided in the same manner as are other public services, such as recreation, library, community center buildings, protection to persons and property, school transportation, schools, street maintenance, etc.

Answer Simple

Such being the case, the question is, How can transportation be best provided? Because of unusual and favorable existing conditions here in our community, the answer is simple and easier than would ordinarily be the case.

Adjoining us on the north is the city of San Francisco; our interests are tied in with theirs, and theirs with ours. Certainly we have a mutual interest in inter-city transportation. As a result, the San Francisco Municipal Railway is willing to continue to provide transportation to our city under this simple and fair plans: if the service is used sufficiently to pay the expenses, the cost to Daly City will be nothing; and if not so sufficiently used, the Municipal Railway is to be reimbursed for what it costs them over and above revenue.

When this transportation problem was taken up a meeting of the Daly City Chamber of Commerce Transportation Committee a few months ago, I suggested the following as a plan and as a solution: that the State Legislature be asked to pass a Bill which would authorize the City of Daly City to exceed the $1.00 tax limit imposed on cities of the class of Daly City, by not over 20c per $100.00 valuation, for the specific purpose of carrying out the plan above outlined. This was done.

Equal Use Services?

I have heard arguments to the effect that a special tax would not be a good plan since all taxpayers would not be equally served or benefitted. That argument has little or no merit, as that same situation exists on every dollar of taxes levied and paid out. Surely no one will claim that all who pay taxes use the following services equally or are equally served by them—schools, school transportation, library, War Memorial Building, playgrounds, recreation, and all others.

On the other hand, there is one interesting difference between this transportation service proposal and all others, and that is, that the more the other services are used, the more they cost the taxpayer; while the more the transportation service will be used, the less it will cost the taxpayer, until it could very well cost nothing from the standpoint of the taxes that would have to be paid.

As I understand it, it is now costing the Municipal Railway $600.00 per month more than they are taking in in revenue. If such is the case and if the present service should be continued, the amount that would be paid by the average homeowner would be less than $1.00 per year, or about ¼c per day.

I doubt that there is a city in the whole country where the transportation problem is so simple. Why talk about privately owned bus lines and jitneys, with the uncertainties and possible drawbacks of such plans? I suggest the following:

Cost $1 Year

1. If the cost of operating the present Municipal bus service is $600.00 per month over revenues, the City Council levy a 3c tax to make up the deficiency. This 3c tax would mean a tax of about $1.00 per year—8c per month on the average home.

2. If it is deemed advisable to have more service and the cost should be, say, $1200.00 per month, that the City Council levy a tax of 6c, which would amount to about $2.00 per year, or 16c per month on the average home.

3. That a thorough study be made to determine what would constitute good transportation for our city, and a tax be levied to provide it. The limit permitted is 20c.

In all our city-to-city dealings with San Francisco in the past, we always found the San Francisco authorities cooperative and helpful to the utmost, and I feel sure that it will be the same in this case.

SUMMARY — There is in my opinion only one common sense, proper, high-class and permanent plan for solving our transportation problem, and that is by making use of the San Francisco Municipal Service under the plan I have outlined above.

Very truly yours,
H. H. Smith

Local Man, 65, Refuses Medical Attention, Dies

A 65-year-old Daly City man died Monday at St. Luke's hospital after refusing medical attention three days before. Police answered a call Friday from Vince and Fred's tavern at 6278 Mission street that a man had received head injuries.

Answering the call, Officer Robert Crooker found Sam Sabel, 34 Los Olivos avenue. Crooker said later that Sabel, although bleeding from the left ear, refused medical attention.

Crooker tried to contact Sabel's son, Sherman, but without success. The son arrived at the police station about an hour later and was told of his father's condition. Rushing to his father's home, he called an ambulance in which Sabel was taken to St. Luke's hospital.

Sabel had been under a doctor's care for heart trouble and high blood pressure, police said.

Burglar Escapes With $262 Worth Of Loot

Police are investigating a Hanover street burglary in which $262.39 worth of loot was stolen Wednesday.

Henry N. Laskey, 626 Hanover street, reported the loss of a television set and antenna, radio, piggy bank containing $2 and a $10 bill to police.

He said that his wife returned home at 3:15 p.m. after a seven-hour absence to find the items missing. She first noticed the TV set gone from the living room and, then going into the bedroom, saw that the room had been rifled and the piggy bank stolen.

The burglar evidently searched the entire house as the $10 bill had been stolen from the kitchen, police said.

SF Jitney Owners Say Won't Operate

last week, following the council's vote which went in favor of jitneys as a form of transportation here.

"He made a proposal to us but we turned it down. So far I don't know of any drivers who plan to come out to Daly City," Sekulski said, adding that, "I don't think Walsh is representing anybody right now."

EDITORIALS - FEATURES - COLUMNS

TV and Radio

By Mona Baker

PERSONALITY SKETCH . . . . "Russ Coughlan is on the air" . . . sings out the lilting theme song of our radio and television personality for this week and another Daly City resident! Assistant Manager of Radio Station KROW, the versatile performer not only has his own record program on the Oakland station (4:00-6:00 p.m. daily) but has emceed many local television programs and appeared on television's commercials.

In his capacity as assistant manager, Russ originated the "personality format" for radio programs in this area. One of the "pioneers" in local television, he emceed many popular programs, including the Rusty Draper show, Club 4, Stag Party, and the Starlight Minstrel.

A native San Franciscan, Russ graduated from Mission High school. He entered the army in 1940 and saw service in Alaska. Returning to the states he married his schoolday sweetheart. He was then sent back overseas and served in the Philippines and New Guinea. One of the original four men who formed the armed services network, he feels that his army work was partly responsible for his interest in radio and television. Following his army career he returned to the bay area where he joined the staff of KROW as an announcer.

Community-Minded

Enthusiastic about living in Daly City, Russ resides with his wife Sylvia, and three children, Colleen, 5 years old, Jill, 3 years of age, and Kevin, 10 months on Lake Vista avenue. The Coughlan family are very community-minded. They have participated in the Village Play school nursery school activities where Sylvia served as social chairman and Russ was master of ceremonies at their annual dance. They were also in charge of a booth in the Westlake carnival to raise funds for the purchase of library books. Another first for the talented star is when he served as master of ceremonies for the first remote telecast from the Westlake shopping area several years ago.

When questioned about a possible "secret ambition," Russ quietly admitted that he did have one. Someday, he said thoughtfully, he plans to write . . . maybe even "the great American novel." If his present accomplishments are any indication of his future success, we cannot help but feel that maybe one day this dream will come true.

Budding Reporter?

KIDDIES CORNER . . . Do you have a "budding reporter" in your family? Perhaps he might really be inspired to pursue this ambition if he watches "Let's Take a Trip" over KPIX this Sunday at 12:30 p.m. Accompanied by his two young guests, Sonny Fox will take his juvenile viewers on a visit to a newspaper. They will follow the story from the time the reporter gets it through all the stages until it appears in print. Each week the program takes the children on a fascinating adventure. This program is another example of one that can be educational as well as entertaining. The production is an "on the spot" report and because of the tremendous impact of television, children at home feel that they are right along on the trip. One program orignated in New York harbor where the children watched a tug boat in action from aboard another boat in the harbor. We could almost feel the ocean spray . . . hear the whistles of the boats . . . the moan of the fog horns. This program is not make-believe. It is a good example of the fact that reality can be most exciting for children if presented in an entertaining manner.

NEWS OF EDUCATIONAL TELEVISION . . . Americans have grasped the opportunity that noncommercial, educational telecasting offered them. Three years ago channels were reserved for this new system of video. Today, 20 million people live within range of the 11 stations on the air. Twelve more stations are under construction, and in well over 100 other communities action is being taken to use the reserved channels.

COMING PROGRAMS . . . One of the most popular radio programs on the air, "The Telephone Hour," will celebrate a fifteenth birthday next Monday evening, May 16, over KNBC at 9 p.m. with a star-studded musical cast including Lily Pons, Jose Iturbi, Eileen Farrell, Brian Sullivan and Michael Rabin.

The Bell symphonic orchestra will be under the direction of Donald Voorhees who recently received the Lowell Mason Award for distinguished contribution to music education. The Telephone Hour has been on the air for 785 consecutive weekly broadcasts, and has featured 112 distinguished artists during the past 15 years of broadcasting.

SET ANNEX HEARING ON CROCKER ESTATE

Public hearing on annexation of a 30 x 520 foot strip of Crocker Estate near Abbey Homestead was set for June 27 by the city council Monday night.

The area is being annexed to square-off Ricco Lagomarsino's proposed re-subdivision of Blocks 61 and 62 in the Homestead.

The planning commission has tentatively approved Lagomarsino's re-subdivision.

Hibernians To Hold Memorial Communion

Division 17 Ancient Order of Hibernians will hold its annual Memorial Communion and Breakfast on Sunday, May 29, at Epiphany church. The members and their friends will attend 8 o'clock Mass followed by a breakfast in the parish hall.

John Riordan, local attorney, and son of Michael Riordan, will be featured speaker of the affair. The price of tickets for the breakfast is $1.50, with children being admitted for half price. Chairman Phillip Fraher of 379 Glenwood avenue has extended an invitation to all Hibernians and their friends to join with Division 17 in honoring past members.

CROCKERITES REPORT

Fourth Grade - Mrs. D. Hawkins

The fourth grade class is going on their fourth and final excursion to Coit Tower and Fisherman's Wharf. We will complete it by taking a boat trip around the bay. Our previous excursions included trips to Mission Dolores, Chinatown and the Planetarium in Golden Gate Park.

At the moment we are involved in making tape recordings of our voices via a play and poetry. The class feels they are learning where they need improvement in expression and diction.

Fifth Grade - Mrs. M. Clarke

On Tuesday, May 3, the fifth grade at Crocker school made their last excursion. We went to the Southern Pacific Round House at 3rd and 16th streets in San Francisco.

Each child sat in the engineer's seat and we all had a ride on the turn table after watching the workmen switch engines and move heavy equipment.

We were also taken through the boiler room and maintenance room where the engines are repaired.

On our way out we went through a pretty garden where the engineers work in their spare time between trips.

Council Considers Baher For Rec Post

The city council Monday night considered appointment of Victor Baher as recreation commissioner to replace Walter Gillies.

Gillies resignation was submitted Monday night. He explained that press of business duties made it unable for him to attend all recreation commission meetings.

Transit Committee May Tackle Other Daly City Problems

The transportation committee, still in the formative stage, may be kept on as a permanent citizens' group to study other local problems, City Manager Howard Stites told THE RECORD today.

"Since the committee is a representative group, it would be an appropriate body for other public services," Stites explained.

Mayor Joseph J. Verducci confirmed Stites' statement, saying that the permanent committee would serve to develop a capital improvement program for the wast-growing city.

"If they do a good job on transportation, it's very likely that the group will become permanent," Verducci declared.

Stites is now writing letters to be sent each civic organization. Presidents of civic groups are being asked to name representatives to the committee.

In particular, the permanent citizens group would undertake to study "needs in recreation" and juvenile delinquency, according to the city manager.

The "town hall" juvenile delinquency meeting, suggested by Governor Goodwin Knight in a recent letter to the council, may be filled by members of the committee.

Knight requested that "the mayor call together in an old-fashioned town meeting the interested agencies, organizations and individuals of the community to evaluate existing facilities and aspects of delinquency and delinquency prevention."

The committee, appointed by Verducci, will include representation from the following groups: Daly City-Colma Lions, Rotary club, Eagles, Mothers guild, Westlake Improvement association, Hillside Improvement association, Chamber of Commerce, Jaycees, Merchants association, Westlake Business and Professional associationi, Cemeteries association, Colma council, planning commission, Father Richard Power, Father Norman Allen, the Rev. Roy Milam, the Rev. Thomas Whelpley, Daly City Improvement association, Masonic Lodge, Westlake Temple Group and PTA coordinating council.

13-Year-Old Camper Reports Break-In

A 13-year-old boy, who "camped out" in a vacant lot next to his home Friday night, reported a break-in at the Shoe Fair on Junipero Serra boulevard to police.

Victor Shannon, 6779 Mission street, told officers that he awoke at 7:30 a.m. Saturday morning and decided to take a walk toward Lake Merced Golf course, where he works as a caddy.

Passing the Shoe Fair, he saw a hole in the rear of the building and reported it to police. Officers said later that the hole was about 20 inches in diameter.

They said that the building had obviously been entered, but that nothing was taken. Two screwdrivers, a chisel and a ten-pound sledge hammer were found outside the store.

NORTHERN SAN MATEO COUNTY'S LEADING NEWSPAPER
THE RECORD
DALY CITY...
WOMEN'S PAGE

Village Notes

By Gwin Mitchell

Surprise news of the week was Betty Sue Berry's wedding to Jimmy Charles Covington. Their sudden decision to get married stirred family and friends into a happy rush of preparations and celebrations. They had been engaged for a year and wedding plans were in the future, but Jimmy's soon-to-be departure for Japan for duty with the Paratroopers changed the plans around, and now Mr. and Mrs. Covington will be at home at 206A School street until June 1.

Harriet Hagerman is seeing Brownies in front of her eyes these days. Her home on MacArthur is the scent of much conferring and planning about the Brownie summer camp on Sneath Lane, for Harriet will be the director when camp is held from July 11 to 15. She has some splendid helpers in Marian Miller and Florence Ecker, and will be training 16 more. There will be six units of Brownies (on an age basis), and Dorothy Bolander, Mickie Magnusson, Barbara Subke, Vera Wardell, Anita Shanoian, Margaret Schmalle, Barbara Organ, Della Divers, Bette Hart and Marie Bernard will be right there with them!

Maybelle and Gene Bried are back at home on Garden Lane after a relaxing vacation and rest in Hawaii, where they spent 12 wonderful days at the Royal Hawaiian. Like everyone else we know who has ever been to the islands, they want to go back again, but Maybelle casts her vote for an air trip both ways! The return trip on the Lurline wasn't quite to her liking!

The proud little girls from our area who will attend the May Queen at the Daly City Festival are Susan Hess (Benjamin Franklin School), Candace Dalzelle (Garden Village School) and Judy Hirshberg (87th Street School).

The Fitzgerald family on Manila seem to be fond of May as a birthday month. Gene was 12 on May 12, Diane will be 2 on May 28 and Ricky just gets in under the gun with a 6th birthday on May 31. Happy birthdays, everybody!

That red streak you see around here lately is not a comet—just Tom Jenkins flying from meeting to meeting. In addition to belonging to a formidable horde of other organizations, he has just been elected third vice president of the San Francisco Lawyer's Club, is now a director of the BPOA and has begun his duties as president of the James L. Snell PTA. Somehow, he must know how to stretch 24 hours into at least 32!

New members of Our Town are Bob and Polly Walters, who have moved in on Maddux drive with youngsters Susan and Gary. The Walters are already members of the Windjammers, the Mariners group of our Presbyterian church, and will probably be caught up in the upsual flurry of tetivities which seems to surround everyone in the Villages.

Speaking of moving, the George Irvines aren't going to, after all. All their friends and neighbors will be glad about this, for George and Eunice have always contributed a great deal to their community, and their going would have left a very large empty place very hard to fill.

Latest news about barbecuing techniques: Sam and Scotty Wright served a turkey barbecued whole when they entertained Sam's family recently at their home on Maddux. If it tasted as good as it smelled (we live next door!), it was something! The guests were Mrs. Ann Gardiner and Col. and Mrs. Boudreau, en route to Kansas City, Mo., for a visit. Mrs. Gardiner and Mrs. Boudreau are Sam's sisters.

Stewart Street cooked up a batch of news items lately. Laura and Art Stricker are the proud owners of a nice new Plymouth, which all the neighbors gathered around to see. Bob and Peggy Northrup had weekend guests when Bob's sister, Dorothy Hughes, and her husband Bert stopped by on their way from Oregon to Los Angeles, courtesy of a transfer by the Goodyear Company. Prior to Oregon, the Hughes had been San Franciscans. Sorry to report that all the Northrups have been bothered with the flu. Ken and Evelyn Alexander have sold their house, and will become Buri-Buri residents some time in the near future.

Sweetwood's Doris Cunningham is in line for congratulations—she was elected president of Holy Angels Women's Guild. Sons Russell and Brad are proudest of all.

Our Town Phrotographer, Ken Reichard, has a picture in the Advertising Art Show at 252 Clay street. Herewith congratulations! And on May 4, Ken and Gerrie celebrated their anniversary with dinner at the Doll House in San Carlos in company with Ken's parents, Mr. and Mrs. DeForest Reichard, who came up to Gilman drive from Carmel.

Speaking of anniversaries, the Ray Logans and the John Mitchells celebrated their 13th and 10th, respectively, with dinner at the Ranch House and a show.

Two birthday parties to report this week: Miss Perky Gillespie turned 5, with a Hawaiian atmosphere surrounding her Gilman drive home. Mike Kelleher, Cary Cauchi, Tim and Collie Orton, Margot Reichard and Steve Milam got into the wing of things and wore their leis with a gay and carefree air. Over on Washington street, Leslie Morgan blew out seven candles on her Cinderella birthday cake, with Lynette Leonard, Remy Lichtenberg, Jenny Beckerman, Gale Goodwin, Lance and Gina Morgan, Janet and Raymond Cox, Carol Malcolm, Jane Martin, Mike and Tony Scolieri, Susie and Laurie Buchan and brother Brett Morgan sharing her happiness.

Dagny Golloday is back on 87th street after a trip to Spencer, Iowa, to join in a family celebration marking her father's 35th anniversary in business, a proud milestone for the Spencer Construction Company, and for the whole Rundsig family. Dagny(her name is Danish) said that it was the first time in 17 years that she and her six brothers and sisters had had a family gathering. The four sisters drove down to Texas, and then Dagny and one sister drove on to Burbank—then Dagny came home on the bus. Quite a trip!

Everybody who helped with the recreation program at the Garden Village school last summer will be glad to know that Bob Watt, the recreation director, will be a teacher at Jefferson High school. All the children who knew him will be glad, too, for he was a favorite with them.

Midway's Alice Travinsky has come through a serious operation pretty well, and is feeling a little better each day.

Another Broadmoor mother who is on the mend, albeit slowly, is Kathleen Sifford. She is looking forward very much to coming home to Gilman drive, even though it may be another six months before that can happen. Her mother tells us that she can now sit up in a wheel-chair, and that she has gained weight and is beginning to look like her old self again, which is good news to her family and friends. Daughter Sandra celebrated her 11th birthday with Kathleen in the hospital, and her two smaller children, now staying in San Diego, have been up to see her. It will be two years in July that Kathleen has been in the Community hospital in San Mateo, and these last few months will be hard for her, as she must have another operation. A card or little note would do a lot to help her wait until she can come home.

Helga and Ted Giesecke had a wonderful smorgasbord party at their home on Stewart street recently, with 37 guests. It was a musical evening, to say the least, with Art Nolan and Britta Ekvall, singers; Evelyn Olson and Anna Greta Osberg, pianists; Ragnar Hasselgren, singer and guitarist; Barbara Sellin, cellist; Vern Sellin, violinist and conductor of the SF Recreation Symphony, and Conrad Blomquist, accordionist. Helga was in her element, as she plays a mean accordion herself! Everyone had such a fine time that nobody went home until the wee small hours.

Some 95 people attended the Silver Tea given by the executive board of the Presbyterian Women's association, and found themselves in a very international atmosphere! There were art objects from 20 different countries displayed. The material in Sabina Fairbank's dres was from Cairo; Jean Suenderman wore a stole made in India; Maybelle Bried's dress was from Hawaii and Corinne Bryce wore French earrings and a beautiful wool dress from Austria. Maria Moribus, who provided the music, is of Phillipine descent, and wore a dress made in the Phillipines. Maria is a music major at SF State and she played some of the most exquisite harp selections we have ever heard, as well as explaining the structure of the instrument. Prizes were awarded for the best flower arrangement and, of the many shown, Irma Tarleton's took first place, with Jean Suenderman and Lee Johnson taking second and third prizes.

Pack 62 Cubs Receive Awards

Cub Scouts of Pack 62 met at the Bellevue Hall last Friday night. Eugene Johnson, cubmaster, presided and presented awards to the following boys:

David Broadbent, one gold and one silver arrow; Ronald Sampino, two-year pin, Boys Life Segment, silver arrow and assistant denner stripe; Manuel Jiminez, wolf badge and a gold arrow; John Petersen, gold arrow; Ben Streit, wolf badge; Tommy Weller, bobcat pin; Owen Johnson, one-year pin; Frankie Prisco, Weblo badge; Jim Campbell, wolf badge; George Rodriquez, denner stripe and bear badge; Kenneth Klassen, silver arrow; Leland Rowe, one-year pin; Andrew Coletta, denner stripe; Charles Olivia, denner stripe and a wolf badge; Kenneth Iwahashi, one-year pin.

Two new boys were admitted into the group. They were Thomas Welker and Wayne Pearson.

Gifts were present to the following boys for their outstanding work in selling tickets for the Scout-o-rama: Andrew Coletta, who sold the highest amount, 29 tickets; Jimmy Blackburn, 24; Bobby Perry, 16; Billy Baird, 15; Jimmy Glettic, 15; Owen Johnson, 14; Ben Streit, 13; and Joey Williams, 13.

At the next Pack meeting, roll call will be held to enforce the ruling passed by the Pack that no Cub Scout will be allowed to attend the monthly meetings without one of his parents.

The Scout picnic is planned for June 19 at San Bruno Park.

At the close of the meeting, J. Heller showed some movies.

Mariners Join In Recent Gam

Mariner Ship 4 of Daly City participated in a Mariner Gam at Woodhaven Girl Scout camp near La Honda last weekend. Over 100 Mariners from Daly City, San Carlos, San Mateo, Alemeda, Belmont, Palo Alto and Redwood City joined in the Gam.

Although the Daly City Mariners took fourth place in the entire gam, they placed more firsts in individual competitions than any other ship. Firsts were taken in life saving, first aid and lashing; second place, campcraft; third place, Mariners quiz, drilling and swimming medley race.

The morning competition, held at the Belmont Sea Explorer base, included semaphore code signaling, lashing, knot tying, campcraft skills and first aid. About noon the girls went to the Woodhaven camp, where the remainder of the competition was held. Afternoon activities included life saving, swimming medley race and a Mariners' quiz. Drilling competition was held the following afternoon, Sunday.

CASENTINI ELECTED TO PRESIDENCY

Dan Casentini of 380 Second avenue, Colma, has been elected president of the newly-formed Italian-American federation of San Mateo county. Casentini is past president of both the Council of Clubs and the Italian-American Citizens club of Daly City and Colma.

Elected to the treasury post was Roy Barghini of 780 Niantic avenue, Daly City. Barghini, supporter of many clubs throughout the Peninsula, is past president of the Italo-American Citizens committee of San Mateo county.

The federation is the largest organization of its kind in the county and represents all Italo-American citizens of the county.

Other officers are Victor Canavese of Redwood City, vice president; Mary Soletti of San Mateo, secretary; Mayor Ildo Rosellini of Belmont, parliamentarian; and Mario Marcucci of San Mateo, sergeant at arms.

Bayshore and Midway Faculty Hosts PTA

The faculty of the Bayshore and Midway schools were hostesses at a well-attended PTA meeting Wednesday, May 11. Musical entertainment was supplied by the Junior Chorus of the Midway school and a fashion show was presented by the seventh and eighth grade girls who modelled apparel they had made during the school year. Introduction of the models and description of the garments was handled by Jeanne Datzman.

A luncheon for the faculty of the Bayshore and Midway schools was given on Tuesday at the home of Mrs. Dominik Caloiaro.

Citizenship Chairman, Mrs. Stella Filarski, urged every one to remember to vote for our School Board Members at the election to be held today (Friday).

POPPY DAY FUNDS AID LOCAL WAR VETERANS

Mrs. Weckerle Officiates At State Meeting

Mrs. Milton Weckerle of Daly City, State Regent of the Catholic Daughters of America, will call the state weekend conference to order today (Friday) in Sacramento.

At that time the newly elected officer of Court Sacramento will be installed. Reception will follow for the state officers, delegates and members. Mrs. James Folck, grand regent of court Sacramento has been appointed by the state regent as general chairman for the three-day meet. Court Sacramento will be the hostess group.

There will be registration of delegates and an opportunity to secure reservations tickets for the banquet and Communion breakfast from noon until six p.m. On Saturday morning the day will commence with Mass at eight o'clock at the Cathedral of the Blessed Sacrament. Rt. Rev. Monsignor Raymond Benwald will be the celebrant.

At 9:30 a.m. workshops for a two-hour period will be conducted by all state chairmen.

Business sessions will be called to order by the state regent at 1:30 p.m. His Excellency The Most Reverend Bishop Robert Armstrong will be the honorary guest atthe banquet, and Rev. Richard Dwyer, editor of the Catholic Herald, will be the guest speaker.

North America has more than 30 major zoos, in the United States, Canada and Mexico.

Funds which enable the American Legion Auxiliary to aid war veterans in distress come largely from the contributions made by those who wear memorial poppies on Poppy Day, according to Mrs. Margaret Rector, rehabilitation chairman of Daly City Unit of the Auxiliary. Poppy Days will be May 27 and 28.

"The dimes, quarters and dollars dropped into the coin boxes of the Auxiliary's Poppy Day volunteers are divided two ways," Mrs. Rector explained. "Half goes to our work for veterans and half to our child welfare work. These funds are available throughout the year for relief of distress among veterans and veterans' children.

"The bulk of the money stays right here in the treasury of our local Auxiliary Unit and is expended locally. We buy the poppies from the California Department of the auxiliary which has them made by disabled veterans at Fort Miley hospital. There is no overhead for promotion or management and, since all of our Poppy Day workers are volunteers, every penny contributed goes for the purposes for which it is given.

"Here in Daly City we have a large number of veterans, the majority of them young men with families of small children. We of the Auxiliary believe that when misfortune overtakes any of these veterans, when the effects of war wounds or illnesses overcome them, they deserve the help of the community. That is why once each year we ask everyone to contribute to the Auxiliary's poppy funds—to aid the disabled while honoring the dead—and helping us maintain protection for the men who protected America."

Sheridan Sewing Lunch

On Tuesday at 12 noon, Sheridan PTA will have a sewing luncheon at the Ocean View recreation center. Price per plate will be 50 cents, with proceeds to go to the convention fund, Hostess's will be Mrs. Charles Screeton, Mrs. L. Sabride, and Mrs. Leslie Mulhair.

On Wednesday the Sheridan traffic patrol will participate in the annual traffic parade at Kezar Stadium.

On the following day they will be guests at a picnic sponsored by the Sheridan PTA. The event will take place at Ocean View playground and park.

RESOLUTION No. 2200

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DALY CITY GIVING NOTICE OF PROPOSED ANNEXATION OF UNINHABITED TERRITORY TO BE ANNEXED TO SAID CITY OF DALY CITY, AND SETTING A DAY, HOUR AND PLACE FOR THE HEARING OF OBJECTIONS TO THE PROPOSED ANNEXATION.

WHEREAS, the City Council of the City of Daly City has determined that it would be beneficial to the City of Daly City by increasing population and assessed valuation to annex the following described property to said city, and

WHEREAS, all of the owners have so consented,

NOW, THEREFORE, PURSUANT to the provisions of that certain act entitled "Annexation of Uninhabited Territory Act of 1939," BE IT RESOLVED that a day, hour and place be fixed when and where any person owning real property within the territory proposed to be annexed and having any objections to the proposed annexation may appear before the City Council and show cause why such territory should not be annexed.

The uninhabited property requested to be annexed is designated as portion of Abbey Homestead and Crocker Estate annexation, which is the appropriate identification thereof as required by the Statute.

The real property proposed to be annexed is all that certain real property situated in the County of San Mateo, State of California, and contiguous to the City of Daly City, more particularly described as follows:

BEGINNING at a point in the corporate limits of the City of Daly City, said point being the most Easterly corner of the land annexed to said City of Daly City by Ordinance No. 366 of the City Council of said City of Daly City, passed and adopted on April 13, 1953, said point also being the point of intersection of the center line of Hoffman Street with the Southerwesterly boundary of the lands of Crocker Estate, as said Hoffman Street and Crocker Estate are mentioned in said annexation under said Ordinance No. 366; thence leaving said corporate limits along the Northeasterly prolongation of said center line of Hoffman Street North 34° 13' 45" East 30.00 feet; thence North 66° 21' 30" West to a point in the Northeasterly prolongation of the Northwesterly line of Chester Street as said Chester Street is mentioned in said annexation under said Ordinance No. 366; thence along said prolongation of Chester Street South 34° 13' 45" West 30.00 feet to a point in said corporate limits and said boundary of the lands of Crocker Estate; thence along said corporate limits and said boundry of the lands of Crocker Estate South 66° 21' 30" East to the point of beginning.

BE IT FURTHER RESOLVED, that Monday, the 27th day of June, 1955, at the hour of 8:00 o'clock P.M. at the City Council Chambers, located at the City hall of said City of Daly City, California be, and the same is hereby fixed as the day, hour and place when and where any person owning real property within such territory so proposed to be annexed and having any objections to the proposed annexation, may appear before the City Council and show cause, if any there be, why such territory should not be so annexed.

BE IT FURTHER RESOLVED, that the City Clerk of said City be, and he hereby is, authorized and directed to cause a copy of this resolution be published once a week for two (2) successive weeks prior to the day and hour fixed herein for said hearing, in The Record, a newspaper of general circulation published in the City of Daly City and in The Advance Star, a newspaper of general circulation published in the County of San Mateo.

BE IT FURTHER RESOLVED, that at any time not later than the hour set for hearing objections to the proposed annexation any owner of property within the territory proposed to be annexed may file written protest against the proposed annexation in accordance with the provisions of that certain act of the Legislature, known and designated as "Annexation of Uninhabited Territory Act of 1939."

I hereby certify the foregoing to be a true copy of a Resolution adopted by the City Council of Daly City, California, at an adjourned meeting thereof held on the 16th day of May, 1955, by the following vote of the members thereof:

AYES, and in favor thereof, Councilmen: DeBernardi, Dennis & Verducci.

NOES, Councilmen: none.

Absent, Councilmen: Vickers & Wilson.

NOTICE INVITING SEALED PROPOSALS

**BUILDING FOR GARAGE AND STORAGE PURPOSES AT THE DISTRICT SEWAGE DISPOSAL PLANT SITE
NORTH SAN MATEO COUNTY SANITATION DISTRICT**

NOTICE IS HEREBY GIVEN that sealed proposals or bids will be publicly opened, examined and declared on June 13, 1955, at the hour of 2:00 o'clock P.M. at the meeting place of the Board of Directors of North San Mateo County Sanitation District, Sewage Disposal Plant, Lake Merced and Alemany Boulevards, Daly City, California, for the construction of a building for garage and storage purposes at the District Sewage Disposal Plant site.

Said proposals or bids must be enclosed in sealed envelopes addressed "North San Mateo County Sanitation District, Sewage Disposal Plant, Lake Merced and Alemany Boulevards, Daly City, California," and delivered to the Secretary of said District at the regular place of meeting, Sewage Disposal Plant, Lake Merced and Alemany Boulevards, Daly City, California, at or before 2:00 o'clock P.M. of said day, and endorsed "Proposal—Building."

Payments for said work to be done by the Contractor shall be made in cash by said District to the Contractor on itemized estimates duly certified and approved by the District Engineer and the Board of Directors, based on labor and materials performed and furnished and incorporated into said work during the preceding month, but said District shall retain 10% of the amount of each of such estimates, and the accumulation of said amounts so retained will be paid to said Contractor thirty-five days after the completion and acceptance of said work by said Engineer of District and the Board of Directors.

All proposals or bids shall be accompanied by a check payable to the order of the District, amounting to 10% of the bid, or by a bond in said amount and payable to said District, signed by a corporate surety or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District, in case the bidder depositing the same does not, within ten (10) days after written notice that the contract has been awarded to him, enter into a contract with the District, the faithful performance of which shall be secured by an undertaking in the amount of 50% of the amount so bid, with sureties satisfactory to the said Board of Directors, and which shall be accompanied by a labor and material bond in a sum equal to 50% of the amount of said bid, under the provisions of Title 1, Division 5, Chapter 3 of the Government Code.

Notice is hereby given that on May 9, 1955, the said Board of Directors adopted a resolution determining the general prevailing rate of per diem wages in the locality in which the public work herein provided is to be done for each craft or type of workman needed to execute the contract, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for a full and detailed description thereof.

The District reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

Plans and specifications may be obtained at the office of the District, Lake Merced and Alemany Boulevards, Daly City, California, upon deposit of $10.00 therefor, which will be refunded upon the return of said plans and specifications in good condition within five days of the date set for opening bids.

REPEAT PERFORMANCE — The William J. Field family, 129 East Vista, were visited by a rock again last Saturday. The boulder shown here, shoved by children off the Crocker hills behind the Fields home, bounded down the mountain and knocked out a section of the Field retaining wall, while Mr. Field was in the back yard planting. Last August a one-ton rock smashed through the wall and came to rest against the house. The Fields have a damage suit pending against H. H. Smith Sr., owner of the property above their home.

FROSH-SOPH BLANK BALBOA 9-0 FOR 17th

The terrific frosh-soph from Jefferson High school made it 17 straight Wednesday as Paul Tapia threw a three-hit 9-0 victory over Balboa in a practice contest.

Tapia struck out seven, walked only one.

The Jeffs unleashed 11 hits, six of them for extra bases, as they scored in all but one inning.

Doubles by Ino Patron and Delmar Scott helped produce a three-run fourth inning, and Patron came back with a two-bagger in the fifth, followed by Tapia's homer, his first of the season, to add another three.

Ted Hanson and Barry Haanen each doubled in the third frame. Patron's two doubles and a single in five tries gave him batting honors for the day.

Galli Paces Jeff Golf Team To 19-8 Victory

Linksmen from Jefferson High school cut down Palo Alto, 19-8, Wednesday as Gary Galli posted medalist honors with 77.

Galli and Jim Giblin, 89, won their match, 6-3, while Byron Van Paul, 82, and Bob Penn, 81, blanked their opponents, 9-0. Al Harris, 87, and Wayne Guisti, 84, were set back by Palo Alto, 5-4.

Coach Mike Orlich's golfers wind up match play next week, meeting South San Francisco on Tuesday at Lake Merced and Carlmont Thursday at Crystal Springs.

PAL finals will be held June 3 at California club, starting at 11 a.m., with SSF as host team.

Jeffs Send Three, & Relay to NCS

Jefferson High school will send three individual trackmen and a relay team to the North Coast Section finals tomorrow (Saturday) at the Berkeley oval.

In the NCS Group II meet Saturday at Stanford's Angell field the varsity placed in two events, with Jim Rector and Rich Gonzales pulling seconds for the unlimiteds.

Rector played his well-known role of shadow for Ron Larrieu of Palo Alto, as he finished three yards behind the Viking iron man. Larrieu won in 4:31.3, a time which Rector is capable of bettering, having a best of 4:30.9. Larrieu, however, has also run faster races, with a top of 4:28.6. Coach Ernie Ribera says Rector can be among the top finishers tomorrow, but that "Larrieu is poison. Jim has got to get over the mental block that he can't beat him."

Gonzales Most-Improved

Gonzales, probably the most improved half-miler in Northern California and certainly one of the best in Jefferson's history, took second to Menlo Atherton's Blackwood in a race won in 1:59.3. His performance was surprising because the previous week in the PAL finals, facing much weaker competition, Gonzales placed third. "He's getting better every week," said Ribera, pointing out that Tuesday in practice, against no competition, the speedster turned in a 2:01.5. In Saturday's race he was clocked at 2:00.4, unofficially tieing the school record set by Francis Olson in 1937.

Lowell Klaisner will make up practically a one-man team for the 30s tomorrow, as he placed first in the 330, second in the 150 yard dashes at Stanford Saturday.

Equal PAL Time

He took the 330 in 36.8, equalling his record-setting PAL time of a week earlier. Ron Petit of King City edged a tired Klaisner out in the 150 with a 15.2 performance, tieing the record Klaisner had set that morning in the trials.

The Jeff 30s 440 relay team, anchored by the hard-working Klaisner, gave San Mateo a photo finish battle, only to lose by a whisker. San Mateo's time was 44.9, breaking the 45.2 record set jointly that morning by the Mateans and Jefferson. The Indian baton-passers set a new PAL record of 45 flat a week earlier.

Off Klaisner's performance, the local lightweights wound up with 18 points and fourth place in the Group II competition.

The varsity totaled 10 points and 12th spot.

In tomorrow's annual track circus, Jefferson 30s have an "outside, outside" chance to take it, according to Ribera.

Only Need Few Points

Because of the tremendous number of competitors, it only takes a relatively few points to win a division. If Klaisner could take his two sprints, coupled with a few points by the relay team, the Indians might walk off with northern California honors.

First three varsity place winners in tomorrow's outing will go to the State meet the following Saturday in Los Angeles.

If Rector and/or Gonzales qualify for the state meet, it will set some sort of precedent for the local high school. In the history of Jefferson, only three athletes have ever gone to the state level—Vic Baher, 1951, discus; Joe Zanobini, 1950, mile; and Francis Olson, 1937, 880.

Out of this trio, Baher was the only trackman ever to place.

Indians "Go For Broke" Today Against Cap; Winner Gets Second and Berth in Playoffs

Second place and a berth in the PAL championship playoffs is at stake today (Friday) when the Jefferson High school Indians "go for broke" against Capuchino at the Daly City diamond in the season finale.

The Indians hit their 20-game win goal Tuesday with their second successive triumph over South San Francisco, behind Lowell Creighton's masterful pitching and phenomenal hitting by the Jeff entire lineup.

The two defeats dropped contender South City out of the race for second spot, as their record fell to 5-5. The Indians double triumph climaxed a long, uphill battle after a dismal early season start, and the local nine now boasts a 6-3 mark, identical with that of the Mustangs they meet today.

Creighton Goes Again

Creighton, carrying a 4-2 league mark and 10-3 overall record, will ride herd on the Mustangs today. If his performance resembles anything like his past two outings, the Caps won't have a chance.

Creighton lived up to everything good said about him Friday as he tossed a two-hit, 12-1 victory at the once-haughty warriors on their own battlefield. He poured salt in the wound by leading team hitting, with three for four.

The Jefferson hitting juggernaut that had been in hiding for several weeks unlimbered and bombarded the Warrior's No. 1 moundsman, Hal Petroni, for eight hits, which included a homer, three triples and a double. They knocked Petroni out in the fifth frame, but his substitute, B. Kanavero, wasn't much more successful, giving up five safeties.

Pile It On

The Indians tallied two in the first inning as Al Figone smashed a 415 foot triple, one in the second, then added four in the fourth as John Murphy belted a homer with two men on, and posted four more in the fifth with the help of Bob Gaggero's 400-foot triple, and wound up scoring with one in the sixth.

Rich Guisti got the Indians other three-bagger, while Creighton doubled in the third to account for the fifth extra-base knocks.

Tuesday Creighton came back with a four-hitter against South City, as the local club won easily, 6-2, and continued their hitting barrage, getting nine for the afternoon.

It marked Creighton's fourth straight win since his ankle injury sustained against Carlmont.

Jim Honeywell took over the rubber in the seventh, allowing only one bingle.

Throws Only 64

Coach Lou Martin kept count on Creighton, and came up with the information that he threw only 64 pitches in six innings, which is just about the absolute minimum.

The Indians were in charge all the way, scoring two in the second inning, one in the third, another in the fourth, and two in the sixth.

Guisti got the only extra-base hit, a double, while Ken Smith led with two for four.

Tuesday's victory gave the Indians their goal of 20 wins, first time in the school's history a team has hit that mark. The Jeffs have only eight losses.

Today's action will start at 3:15 p.m.

Line-up includes: Creighton, pitcher; Smith 3b; Guisti, cf; Murphy, c; Figone, ss; Bailey, 1b; Gaggero, lf; Vuillmainroy, 2b; Storch, rf.

Martin says pitching will win today's contest, although if his charges keep up their hitting pace it wouldn't hurt.

Jefferson was defeated by the Mustangs, 2-1, in an early-season game that was protested by Martin.

OLPH Nips Epiphany In Six, 4-3

In an extra-inning set-to Saturday at Jefferson High field, OLPH Juniors nicked Epiphany, 4-3, for their third CYO league victory in four starts.

Jimmy Millett scored the winning run in the sixth canto after Billy Kane singled and the Epiphany second baseman overthrew home plate.

Billy Whalen registered the win, holding the opposition to five hits and four walks. He struck out eight.

Barry Krohn paced hitting with two singles out of his team's four-hit total.

The Juniors now have an overall record of 17-2. They suffered their second defeat Sunday against Broadmoor Pirates, 11-1, in a practice tilt.

Tomorrow (Saturday) the OLPHers face St. Elizabeth in a league game at Ocean View, starting at 12 noon.

The SE club has an equal 3-1 record. Undefeated St. Michael's meets Epiphany tomorrow and an upset victory by Epiphany would put OLPH in a tie for first, providing they win over SE.

Cereghino Blasted By SF Seals, 3-2

Jefferson night at Seals Stadium Friday wasn't Ed Cereghino's night, as the local high school graduate and Yankee bonus baby was tripped up by the Seals, 3-2.

It was the third defeat in four tries for the Sacramento Solon pitcher.

The Seals, who formerly employed Cereghino, in 1951, blasted the big right-hander for nine hits.

Several hundred Jefferson High school students viewed the game free as guests of Seal Manager Tommy Heath.

OLPH Suds Squelch Rally To Win, 6-5

OLPH Suds, cutting off a final inning rally, won out, 6-5, over St. John's Saturday at Marchbanks in a CYO league contest.

The win gave OLPH a 3-1 league record.

Joe Murphy worked the full stint for OLPH, holding SJ to four hits, three walks and striking out nine.

Sonny Martinez pasted three for three to lead local hitting, while Ed Coleman doubled. OLPH rattled out a total of 10 hits.

St. John's trailed, 6-0, going into the final frame, but four errors, two hits and two walks shoved across five tallies before Murphy ended the onslaught by striking out the final batter.

OLPH dropped one to Epiphany last week for their only loss.

This Saturday the Suds see league action against St. Kevin's, starting at 10 a.m. at Jeff High diamond.

VINCE & FRED'S, champions of the Daly City-Colma Bowling league concluded recently at Brentwood, display their individual and team trophies. The tavern gang captured second-half title, then went on to beat Daly City Eagles, first-half winners, for the overall season crown. SAYING SOMETHING NEW ABOUT SILVERADO

After the job Ted Bates has done in this month's issue of "The Golfer," national links magazine, it's difficult to say anything new about Silverado, the fabulous golf course in Napa, instigated by Johnnie Dawson and Pat Markovich, brother of Daly City's Pete of the same last name.

Opening the end of this month the layouts, sprawled over what was the historic Maxwell ranch, has been described as a golfing Shangri-La.

Its facilities read like a resort brochure: Swimming pool, tennis courts, a landing field, spacious social clubhouse that was a Colonial Mansion, and 1000 acres of land that will be sub-divided for links-side homes.

TWO ILLUSTRIOUS GOLF FIGURES RESPONSIBLE

Dawson, world-famous golfer for more than 25 years, is the gent who built the "paradise" for golfers at Thunderbird, Palm Springs, California.

Pat, now 46, started as assistant to the revered Willie MacEwen of the San Francisco Golf and Country club.

Through perseverance and personality Pat just kept moving up in the world of greensward from one-time caddy to reasonably wealthy entrepreneur who is already pro-manager of Richmond club and part-owner of Watsonville club.

In 1939 Pat took over the floundering Richmond links, with assets of $25,000 and liabilities of $65,000, and built the club up to a robust physical and financial condition.

Pat will retain his position as pro and manager of Richmond.

With wages coming in from this position, plus inevitable returns from his chunky investment in Silverado, Pat should get by.

Silverado, a multi-million dollar playground, will be limited to 300 memberships, strictly by invitation only.

Daly City's Pete hopes, naturally, to be among the invited.

Pat and John dislike the term "promotion," in connection with their enterprise. Nothing, however, could be said about Silverado without promoting it—honest, it's really that good.

LARRIEU CAN'T SHAKE HIS SHADOW

The long-standing feud between mile runners Jim Rector of Jefferson and Ron Larrieu of Palo Alto is only one race away (tomorrow, NCS) from being over.

Last week at the NCS group II meet Rector was beaten by Larrieu, by the scant distance of three yards.

Such has been the case in most of their marathons—with Rector just finishing inches out.

When Larrieu turned around after hitting the tape Saturday, there was Rector giving him a congratulatory handshake.

Larrieu shook his head dejectedly, looking more like the loser, and commented, "I thought it was my best race and here's Rector right behind me."

FROSH-SOPH ARE STILL ON WINNING BENDER; GET 16th

Nine and Sixteen.

That's what the statistics showed last Thursday as Coach Byron Van Alstyne's sensational frosh-soph baseball club clobbered Carlmont, 11-1. It was the ninth straight victory for chucker Ed Leveroni and the 16th straight win for the undefeated yearling nine.

The triumph also gave the Jeffs a 7-0 PAL mark and the league leadership.

Leveroni gave up seven scattered hits, only one for extra bases, and struck out 10. He allowed nary a base on balls.

The Indians jumped on Carlmont for a dozen hits.

In the first inning the home-town gang sewed it up with five runs on four singles and a double by Gary Ryan. They added three in the third and three in the seventh.

In the seventh inning relief catcher Ted Hanson doubled for the only other Jeff extra-bagger. Delmar Scott led percentagewise with two for three on the day.

Leveroni aided his own mission with two runs batted in.

The Indians were scheduled to meet South San Francisco yesterday, and wind up next Thursday against Capuchino.

Even if they lost the rest it would be the best frosh-soph record ever compiled by a Jefferson team.

BROADMOOR CUBS SHUTOUT PACK 63

Cub Pack 63 started the baseball season with a loss Saturday when they came up against a strong Broadmoor team representing Cub Pack 84.

Sparked by seven of their "AA" players the Broadmoor group beat the newly organized Pack 63 team, 13-0. Pack 84 finished second in the "AA" West of Twin Peaks Baseball League. Battery for Broadmoor were John Volke and Bob South, while "Buzz" Romero and Bill Cunningham did the honors for "63." Vastly improved are Bob DeGroot, John Kerekes and Lee Klingler.

Pack 63 were sporting brand new scarlet jerseys and caps purchased for them with the proceeds from their recent White Elephant sale. A fair turnout of parents represented both sides and cheered the boys on through the game.

Next Saturday at 9:30 a.m. Pack 63 meets Westlake Cub Pack 241 at Marchbanks Park. All parents and friends are urged to attend.

Court Salesian, CDA To Observe Birthday

The Catholic Daughters of America, Court Salesian No. 1005, will celebrate their 28th birthday on Thursday evening, May 26, at 89 Francis street, San Francisco.

Chairman in charge of refreshments is Mrs. Helen Egan, assisted by Mrs. Ruth Powers. All members are cordially invited to attend.

Summer Baseball Meet Wednesday At Center

Organizational meeting for the Daly City recreation department summer baseball leagues will be held Wednesday at the community center, starting at 8 p.m.

All adults interested in helping supervise one of the three youth hardball leagues are invited to attend.

Lou Martin, Jefferson High school baseball coach, will conduct the meeting.
